

2022

Preschool Quality Improvement Plan Summary

Coomandook Area School Preschool

Service approval number: SE-00010273

Goals

To build upon children's thinking as they share their ideas and knowledge with others.

Challenge of Practice

if educators problem solve with children using prompts to extend their thinking, then children will share their ideas and knowledge with others.

Success Criteria

- children's back and forth conversations will be increase in duration.
- children's language and thinking skills will increase in complexity.
- children will participate with others to solve problems and work collaboratively.
- educators will model inquiry processes, including wonder, curiosity and imagination.
